

New Source Review newspaper advertisements for construction permit applications, November 9, 2017. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be or were published on one of the following dates: November 8, 2017, or November 9, 2017. Public notices are generally published every week. The previous publication of public notices was October 26, 2017.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Law & Hicks Millwork, Inc. with a mailing address of 6017 Bingham Lane, Maryville, TN 37801. They seek to obtain an air contaminant permit for construction of a custom wood products plant located at 6017 Bingham Lane, Maryville TN, as follows: (1) Wood Working (Division identification number: 05-0372-01/973198). The operation consists of several wood working stations. A cyclone is used for air pollution control. The equipment is operating. Regulated air contaminants are emitted by this source. (2) Spray Coating (Division identification number: 05-0372-02/973198). The operation consists of two spray booths. Exhaust filters are used for air pollution control. The equipment is operating. Regulated air contaminants are emitted by this source. Mr. Doug Wright is the assigned Division contact.

Blount County "Maryville Daily Times"-- publish once on Thursday, November 9, 2017.
